

Tonto Basin Community Minutes

Tuesday April 2, 2019

- Per Steve Sanders, the Store Crossing and the Bar X crossing both have been worked on. The road closed signs are still in place and will stay in place until it is safe for all vehicles to cross. The A Cross crossing has not been worked on. It will be worked on in the next couple of weeks.
- Public Works update for April 2019
- Air Methods (Native Air) is no longer offering their membership services for medevac helicopter transport. They will not be renewing nor taking new applications nor offering any alternatives. Questions: feel free to call Air Methods directly at 303-792-7400 or Stormy at Tonto Basin Fire Department 928-479-2203
- Marvin Percha from the National Weather Service is here to discuss local weather issues and offer weather spotter class.
- Roy Goodwin will be sharing information about the Tonto Skyway.
- Questions?
